October 2008

This is a monthly newsletter to keep you updated on projects and initiatives of the Pinellas Education Foundation. Please forward this to anyone you feel would be interested in learning more about the Pinellas Education Foundation.

### “Just a Dollar” from Amscot Means Doorways Scholarships

For the second year, Amscot financial service associates asked every customer in August to voluntarily contribute a dollar to their local education foundation through the Consortium of Florida Education Foundations. The result of this year’s Amscot “Just a Dollar” promotion in Pinellas County was a contribution to the Pinellas Education Foundation for Doorways Scholarships of \$12,074.

Thanks for all you do Amscot!

### Meet Doorways Scholar Eboni Farrell

Eboni Farrell takes being a Doorways Scholar very seriously. This sixth grade Honor Roll student sets high standards each grading period and works hard to achieve her goals. A new face on campus, she has already caught the attention of the Morgan Fitzgerald Middle School staff as one of their shining stars.

An avid reader and skilled basketball player, Eboni is trying hard to make the Principal’s List and the E Team, students who earn excellent conduct grades from all of their teachers. Ten years from now, Eboni predicts she’ll be preparing for graduation from USF with a Bachelors Degree in business with the help of her Doorways Scholarship.

Even as a sixth grader, Eboni realizes the intangible value of her scholarship. She looks forward to the time she spends with her mentor. She takes mental notes of the mentoring sessions so that once she graduates, she too can be a Doorways mentor. “I can be a better Doorways mentor later by being a good Doorways student now,” says Eboni. The Pinellas Education Foundation applauds the accomplishments of Eboni and the many students like her in Pinellas County Schools. Congratulations!

### Hall of Honor Recognizes Community Involvement

Al Ellis

Banking pioneer, Al Ellis, and architect and Ruth Eckerd Hall co-founder, Don Williams, joined the Pinellas Free Enterprise Hall of Honor in ceremonies this month. The Hall of Honor, sponsored by Catalina Marketing Charitable Foundation, is located at the Stavros Institute in Largo. It is a permanent tribute to business leaders who serve as examples to the students of Pinellas County Schools. Also named were the 2008 – 2009 Business Partners of the Year. They were Authentic Martial Arts for their partnership with Fuguitt Elementary School, Home Shopping Network for their partnership with Thurgood Marshall Fundamental Middle School, and Catalina Marketing Corporation for their partnership with Pinellas County Schools.

## Verizon Presents Grant to Broadband Academy at pTEC

At a presentation ceremony on September 24, Dennis Jauch, chief operations officer of pTEC, accepted a \$15,000 grant from Verizon for the Broadband Institute, established in 2005 through a partnership of the Pinellas Education Foundation, Pinellas County Schools, pTEC, and several telecommunications partners led by Verizon.

"The first class consisted of only three students learning in a makeshift classroom and learning lab," said Dennis Jauch. "Today, the classroom is technology-rich and full of eager students anxious to embark on exciting careers in telecommunications, utilizing the skills learned at the Broadband Institute." Since 2003, Verizon has provided grants that total more than \$141,000 to support the Pinellas Education Foundation, including \$44,000 in the last two years to the Broadband Institute to prepare students for employment in the region's expanding broadband industry.
