### pTEC and PCS Take Prizes at National Skills USA Competition

pTEC students and faculty took home a record 17 national medals at the June 28 national competition in Kansas City, including four gold, six silver and seven bronze. Thirty pTEC students traveled to Missouri to participate in the event, thanks to the generosity of Sheriff Jim Coats, benefactor of the Skills USA Endowment, which was established to help students defray the travel and other costs associated with competing in this prestigious program.

Skills USA is a national nonprofit organization with 300,000 members across the U.S. Serving teachers, high school and college students preparing for careers in trade, vocational and skilled service occupations, more than 250,000 began competitions at the local level, and 5,400 made it to the national competition this year. At a state total of 108 medals, Florida students were awarded more medals than students from any other state in 2009. The following were gold medal winners: **Rebecca Jordan – Photography; David Levesque - Tech Prep Showcase; Anthony Roberts - Tech Prep Showcase; and Ed Barcus - Tech Prep Showcase.** Students from East Lake, Pinellas Park High Schools, and Seminole Vocational Education Center also competed in the competition.

## Pinellas Education Foundation Receives Coveted Four Star Rating by Charity Navigator for Third Consecutive Year

The Pinellas Education Foundation recently received the coveted four star "exceptional" designation by Charity Navigator recognizing its sound fiscal management. Only 12% of charities rated by Charity Navigator have accomplished this feat. As the nonprofit sector continues to grow at an unprecedented pace, savvy donors are demanding more accountability, transparency and quantifiable results from the charities they choose to support with their hard-earned dollars. In this competitive philanthropic marketplace, the Pinellas Education Foundation is proud to be recognized by Charity Navigator, America's premier charity evaluator, for consistently executing its mission in a fiscally responsible way, and outperforming other charities in America.
