

Doorways Scholarship Program
In Cooperation with Take Stock in Children

Doorways Senior Update Agreement

- I agree that I will update the Pinellas Education Foundation by logging onto the Pinellas Education website and completing the graduate/college update form by October 15th every year from 2009 through 2013 or until I graduate from college or technical school whichever comes first.
- I agree that I will send my transcripts by mail for every semester I attend college.
- I agree, even if I am not currently attending college technical school, I will log on to the Pinellas Education website and fill out the graduate update form.
- I understand that if I fail to update the website or send my transcripts to the Pinellas Education Foundation, my account will be placed on hold and therefore my college tuition will not be paid.
