

**Pinellas Education
Foundation**

It takes a mentor to help create a pathway for success. If you have one hour to give, you can change a student's life.

Take Stock in Children is Florida's flagship and most successful mentoring, college readiness and scholarship program for low-income, academically qualified students. Scholars in the program pledge to meet regularly with their mentors, maintain academic standards and remain drug and crime free on the way to achieving a high school diploma. The reward for fulfilling these commitments is a scholarship to attend college or technical school.

It Takes A Mentor to...

- **Dedicate one hour a week to meet with a student who has the odds stacked against them.**
- **Encourage a student to remain drug and crime free and maintain good grades.**
- **Inspire a student to earn a college scholarship by graduating from high school and staying true to their pledge.**

To learn how you can change a student's life visit our website at pinellaseducation.org/tsic

Pinellas Education Foundation's Take Stock in Children Scholarship program is proud to partner with St. Pete's Promise and Pinellas County Schools

The Pinellas Education Foundation is dedicated to accelerating achievement for all students through the mobilization of innovation, relationships and resources. By focusing on improving academic achievement and preparing students for multiple pathways after high school, the Foundation ensures that students are prepared for life after high school whether that path is college, career technical education, work or the military.
